C. Notwithstanding any other provision of this MOA, nothing herein affects or limits Region VII's or KDHE's authority or ability to undertake any enforcement action authorized by law. Region VII and KDHE retain any and all rights or authorities that they respectively have, including, but not limited to legal, equitable, or administrative rights. This specifically includes Region VII's and KDHE's authority to conduct, direct, oversee, and/or require environmental response actions in connection with any facility or site which participates in the VCPRP or SCP.

D. If, following the issuance of the No Further Action determination by KDHE, or reclassification to resolve a site from KDHE's Identified Sites List, conditions at a site including those previously unknown to KDHE or Region VII indicate that the response action undertaken pursuant to the VCPRP or SCP does not protect human health and the environment, Region VII and KDHE retain the right to take the response action necessary to protect public health, welfare, and the environment.

E. This MOA does not expand or limit the rights of any party.

This MOA is effective upon signature by the parties below, and will remain effective until KDHE or Region VII terminates the MOA by providing written notice of such termination to the other party. Termination shall be effective 30 days after receipt of such notice by the other party. The MOA may be modified by mutual consent of the parties.
